The Henry Samueli School of Engineering

New Student Orientation
2009 - 2010

Presented by Meei-jiuan Shyu
Engineering Orientation Topics

- UCI Academic Structure
- Preparing for the Fall quarter
- Registering for classes
- Academic Requirements
- School of Engineering overview
- Becoming an Engineer
- Academic Standards
- Policies and Procedures
- Study Schedule
UCI Academic Structure

- Arts
- Biological Sciences
- Business
- Engineering
- Humanities
- Information and Computer Sciences
- Physical Sciences
- Social Ecology
- Social Sciences
- Health Sciences
Important Offices & Departments

- Admissions
- Financial Aid
- Registrar
- Housing
- Learning & Academic Resource Center

- Counseling Center
- Career Services
- Parking
- Disability Services
- Student Health
Preparing for Fall Quarter
Health Insurance

- Students are automatically enrolled in USHIP
- Students can “waive out” of the plan if they can demonstrate they have comparable coverage
  - Must apply online to waive out before Sep 8th
    - Waive out as early as possible, do not wait till the last day.
- Complete details available at Student Health Center at: [www.shc.uci.edu](http://www.shc.uci.edu)
Paying tuition and fees

- **Fee Deadline:** Sep. 15th, 4:30 p.m.
- **If you have Financial Aid…**
  - Aid is applied to fees automatically once you enroll in 6 minimum required units (MRU’s)
  - Must enroll in 6 MRU’s by fee deadline
- **If you do not have Financial Aid…**
  - Pay ZOTBill online
  - [https://sbs.adcom.ucl.edu/ZA/](https://sbs.adcom.ucl.edu/ZA/)
  - Contact the Registrar Office if you have questions. 949-824-6124
You should have already...

- Sent ALL transcripts to Admissions
- **Due Date: July 15th**
- Contact Admissions Office for questions about transcripts and Admission conditions

[myadmissionsapplication@uci.edu](mailto:myadmissionsapplication@uci.edu)
Before classes start in fall...

- Get your UC photo ID card
  - Go to UCItems with student ID number
- Set-up your UCInetID account
  - Provides access to WebReg, e-mail, etc.
  - Activate at any campus computer terminal
  - www.activate.uci.edu
  - Must use UCI e-mail for correspondence with campus officials – always include full NAME and Student I.D. number
- Update address with Registrar’s Office
- Complete your Statement of Legal Residence
- Enroll in classes using WebReg
Before classes begin…

- **Welcome Week (Sep 21-23)**
  - **New Student Convocation**
    - Monday, Sep. 21, 9:00 a.m.
    - Aldrich Park
  - Deans Welcome (following New Student Convocation)
  - Anteater Club Fair & BBQ in Aldrich Park

- **Transfer Orientation Question and Answer Workshop (Optional)**
  Tuesday, Sep. 22, 10:00 a.m. at MDEA
  (The workshop is not required, you may attend only if you have questions about the orientation power point.)
New Student Checklist

http://www.newstudents.uci.edu/
Instruction begins

- Thursday, September 24, 2009
- Labs and Discussions start after the first lecture class.
Registering For Classes

- **Program of Study**
  If you do not have a program of study, please call 949-824-4334 to make an appointment to see a counselor.

- **WebSOC**

- **WebREG**
Enrollment in WebReg

- Log on using UCInetID and password
- **Transfer students may enroll after your program of study is done and your registration hold is removed for fall 2009**
- Adjustment Period starts Sep 18
- Review and/or adjust your schedule during the Adjustment period if needed.
  - Enrollment restrictions are lifted during the Adjustment Period.
Enrollment after Fall quarter
(winter 2010 and thereafter)

Priority window

Check your enrollment Priority window around seventh week of each quarter via WebReg

- Each student has an initial 48 hour priority window in which to enroll in classes via WebReg
- After the priority window is passed, enrollment via WebReg is available 7pm - 7am daily
Enrollment Tips

- *Enroll as soon as your window opens!!*
  - You will have a better selection of courses

- Some classes may be full
  - Use *waitlists* when available

- Check frequently for course changes and/or cancellations
Enrollment Tips (cont’d)

- Refer to the finals schedule to prevent overload during finals week
- Refer to comments in WebSOC for additional enrollment information
- Registration HOLDs
  - If you have a hold, contact the office that placed the hold on your record for resolution
Academic Requirements

- University of California Requirements
- UCI Requirements

Incoming transfer students follow 2008-2009 catalog for Academic Requirements
http://www.editor.uci.edu/08-09/
University of California Requirements

- Entry Level Writing Requirement
- American History and Institutions
University of California Requirements

To meet Entry Level Writing Requirement:

- Pass UC Analytical Writing placement exam

**Requirement is already met if you:**

- Scored 3, 4 or 5 on either AP English exam
- Scored 680 or higher on SAT II Writing Test
- Scored 5 or higher on International Baccalaureate’s Higher-Level English A exam
- Completed college-level English Composition course prior to entering UCI
University of California
Requirements

To meet American History & Institutions Requirement:

- Complete 2 UCI courses:
  US Government (Political Science 21A) &
  US History (Hist 40A or Hist 40B or Hist 40C); OR
- Complete 3 UCI courses:
  Hist 40A, Hist 40B, Hist 40C

Requirement is already met if you:

- Completed 1 year of high school US History; OR
- Completed 1 high school semester each of US History and US Government; OR
- Scored of 3, 4 or 5 on AP US History
- Scored 550 or better on SAT II American History
- Completion of requirement at another CA institution
UC Irvine Requirements

- Complete a **minimum** of 180 quarter units
- **2.0 GPA***
  - In all University of California courses
  - In all Engineering courses required for your major
  - In all upper division Engineering courses required for your major
- **Residency Requirement**
  - 36 of last 45 units earned must be from UCI

*courses for the Engineering major must be taken with ‘letter grade’. Courses for the general education may be taken with ‘pass/no pass’
UC Irvine Requirements

- General Education requirements
- School Requirements
- Major Requirements
General Education Requirements

I  Writing
II  Science and Technology
III Social and Behavioral Sciences
IV  Arts and Humanities
V  Quantitative, Symbolic and Reasoning
VI  Language Other Than English
VII Multicultural Studies
VIII International/Global Issues
IX  Laboratory or Performance

** You may take any general education courses with pass/no pass option.
I. Writing Requirement

- Lower Division: 2 courses
  - Must be completed before the beginning of the 7th quarter, “C” or better
  - Writing 37 and 39C OR
  - Writing 39B and 39C
  - Students with a “B” or better in 37 or 39B can opt to take Writing 30, 31, or 38 instead of 39C*

*This option does not apply to students in Campuswide Honors Program.
I. Writing Requirement

- **Upper Division: 1 course**
  Complete one upper division approved Writing course with a “W” suffix with grade C or a Pass.

  For 2008-2009 catalog year, **Chemical, Computer, Electrical and Materials Science Engineering majors**, are required to take **Engr 190W** as Engineering Professional Topics. **Engr 190W** also satisfies upper division writing.

  **Computer Science Engineering majors** have to take **CSE 181CW** for major requirement, **CSE 181CW** also satisfies upper div writing.

  **Biomedical Engineering Premed majors** have to take **Bio Sci 100LW** for major requirement, **Bio Sci 100LW** also satisfies upper div writing.

  All other majors may take any upper division writing.
IGETC

- If you completed General Education from the community college or other university, you do not need to read the following general education requirements.
- Whoever completed IGETC (General Education) and have not turned in the IGETC certificate, please submit to Engineering Student Affairs Office in fall 2009.
II. Science and Technology

- Must complete a 3 course from one of the following areas:
  - Biological Sciences
  - Chemistry
  - Earth System Science
  - Physics
  - Social Ecology

Engineering students will meet this requirement while completing your program of study.
Must complete 3 courses

- Anthropology
- Economics
- Geography
- Interdisciplinary
- Linguistics
- Political Science
- Psychology
- Social Ecology
- Sociology
IV. Humanistic Inquiry

- Must complete a 3 course
  - Arts
  - Humanities
  - Interdisciplinary
  - Literature
V. Mathematics and Symbolic Systems

- Must complete a 3 course from the following areas:
  - Anthropology
  - Economics
  - Information and Computer Sciences
  - Philosophy
  - Social Sciences
  - Statistics

Engineering students will meet this requirement while completing your program of study.
VI. Language other than English

- Can be satisfied by:
  - 3 years of HS study in same language
  - Score of 3, 4 or 5 on AP Exam in a language other than English
  - Score 570 or better on SAT II in a language
  - Approved course of study in an EAP Program
  - Completing a UCI “1C” language course
  - One year of formal schooling at the sixth grade level in an institution where the language of instruction is not English
VII. Multicultural Studies

( Must complete 1 course from the approved list)

VIII. International/Global

( Must complete 1 course from the approved list)

IX. Laboratory/Performance

( Must complete 1 course from the approved list)

Some general education courses may count for two categories, you may refer to catalog for this information or come to Engineering Student Affairs Office for the list of courses that double count.
School Requirements

- School of Engineering (HSSoE)
  - 48 units of college-level mathematics and basic science.
  - 72 units of engineering topics courses
  - engineering design units

  (Design unit values are indicated at the end of each course description in the catalog)
The Henry Samueli School of Engineering

Founded in 1965, The Henry Samueli School of Engineering is one of the nation’s fastest growing engineering schools.
HSSoE Majors

- Aerospace
- Biomedical*
- Biomedical: premed
- Chemical
- Civil
- Computer

- Computer Science & Engineering**
- Electrical
- Environmental
- Materials Science*
- Mechanical

Two minors are offered in Biomedical Engineering and Materials Science Engineering

*minor is offered
**joint program w/ICS
Becoming an Engineer

Engineers apply the principles of science and mathematics to develop economical solutions to technical problems.

Engineering is excellent preparation for a wide variety of fields, but you need to identify your end goal so that you can properly prepare... both in and out of class.
Becoming an Engineer

In addition to your academic program, you are encouraged to involve with the following activities if time is permitted.

- Research  
  http://www.urop.ucl.edu/

- Internship  
  http://www.career.uci.edu/

- Student organization  
  http://esc.eng.uci.edu/  
  http://www.asuci.uci.edu/
Policies and Procedures
Catalogue Rights

- Students enrolled at UCI from their freshman year may elect to meet as graduation requirements*
  - Those requirements in effect at the time of entrance; or
  - Those subsequently established catalog year
- Complete policy in catalogue

2009 incoming transfers should select 2008-2009 catalog year for your benefit
By law, the Engineering Student Affairs Office and other UCI officials may not release any student information to ANYONE without written consent from the student.
What does this policy mean to you?

- Students MUST be the point of contact with any campus official
- Information that CANNOT be released:
  - Grades
  - Class Schedule
  - Academic status
- Release form for engineering students
  
  The above information will not be released unless you sign the Release Form.
Add/Drop/Change Deadlines for Engineering courses

- **Adding a course**
  - Friday of the 2nd week of the quarter

- **Dropping a course**
  - Friday of the 2nd week of the quarter

- **Change of grade option**
  - Friday of the 6th week of the quarter

Any requests after these deadlines will be carefully reviewed on a case-by-case basis. Come to Engineering Student Affairs Office to fill out a petition form.
Grades

- **Letter Grades:** A, B, C, D, F
  - All Engineering, Math, Physics and Chemistry courses required for the major must be taken for a letter grade

- **Pass/Not Pass Grades:** P or NP
  - Does not affect GPA
  - General education courses can be taken Pass/Not Pass
  - C or better will be Pass (P), C- or lower grade will be Not Pass (NP)

- **Repeating Classes**
  - You may repeat courses only when grades of C-, D+, D, D-, F, or NP were received.
  - Up to 16 unit of repeats can be replaced for GPA
  - Following that, course grades are averaged
Academic Standards

Normal Progress

Students that fail to make normal progress will be placed on academic probation or may be subject to disqualification.
Not making Normal Progress

- Failure to complete UC Entry Level writing requirement before beginning of 4th quarter.
- Failure to complete lower division Writing Requirement by beginning of 7th quarter
- Failure to complete 12 units in any given quarter
- Failure to maintain a 2.0 GPA in
  - All coursework
  - All Engineering coursework
  - All upper division Engineering coursework
Academic Probation (AP)

- Academic Probation
  - GPA below 2.0 (quarterly, in ENGR courses, in upper division ENGR courses, or cumulatively)

- Subject to Disqualification
  - GPA below 1.5
  - GPA below 2.0 for 2 consecutive quarters

- The 1.5 Rule (Freshman Engineering)
  - GPA below 1.5 in Fall or Winter quarter of first year will be subject to disqualification from the School of Engineering
Academic Honesty

- Be academically honest
- Consequences can range from
  - a failing grade
  - dismissal from the University
- Complete policy listed in Catalogue
Undergraduate Engineering website

http://undergraduate.eng.uci.edu/

Student Handbook
Degree Programs
UCI Resources
Announcements
Course outline
Teaching Plan
Policies and Procedures
Academic Framework

- Engineering coursework is built upon a foundation of math and science
- Interdependency of knowledge
  - prerequisites and corequisites
- Emphasis on retaining knowledge
- **Study to learn, not to pass the class.**
Average GPA in Engineering

<table>

Student Retention

- Freshman: 93%
- Sophomore: 87%
- Junior: 64%
- Senior: 54%
Academic Resources

- LARC
- CODE
- Departmental Tutoring
The Learning and Academic Resource Center (LARC)

- Campus wide academic assistance program in Math, Science, Writing, Study Strategies, Critical Reading, etc.
- Offers a variety of learning models
  - Tutorials
  - Workshops
  - Classes
  - Individual counseling
- Located in the Second Floor of Rowland Hall, RH 284.
  http://www.larc.uci.edu/
Center for Opportunities and Diversity in Engineering (CODE)

- Free Tutoring for all engineering students in engineering courses and their prerequisites
  - One-on-One tutoring
  - Located in ECT 124

- Professional Development and Research Opportunities
Several academic departments on campus like Math, Physics and Chemistry, may offer free tutoring.

Tutoring schedules can be found on the department website.
Study Schedule

Strategies For Success

- Identify your best time of day to study
- Study in groups
- Avoid distractions
- Treat school as a full-time job
- Utilize resources: LARC, CODE tutoring
- Be realistic about the amount of work you can get done in a given period. We suggest you study 3 hours per week for any one unit you enroll.
HSSoE Student Affairs

- **Contacting the Office**
  - Telephone: (949) 824-4334

  - Monday - Friday 8:30 a.m. - 12:00 p.m. & 1:00 p.m. - 4:30 p.m.

Meeting with an Academic Counselor in Engineering Undergraduate Student Affairs at least once a year is strongly recommended!
Faculty Advising

- All students are required to attend **Faculty Advising session once a year**
  - done by faculty
  - required for accreditation
  - not the same as meeting with an academic counselor
- You will get email notification regarding the date and time
- Failure to attend will result in a hold for following term enrollment
Welcome to UCI and The Henry Samueli School of Engineering!
Have a great summer!
See you in fall quarter!
