Department of Electrical Engineering & Computer Science
Teaching Assistant Application
Fall 2011

Please return completed form to the EECS Graduate Office
2201 Engineering Hall
Faxes are accepted - 949 824 4152

Name ___________________________________ Student ID Number _______________________
(Please Print - First Name than Family Name)

E-mail Address __________________________ GPA (as of Spring 2011) ______

(GPA must be at least 3.1, if you are an MS student, or 3.5, if you are a PhD student).

Your Degree Program:  MS _____
Ph.D. _____ Your Area of Research______________, PhD Graduate Advisor ________________

Have you received any fellowship or a GSR for Academic Year 2010-2011? If so, please indicate what you received, including name of fellowship and dollar amount:

Name of Award ________________________________________________________________
Amount of Award $______________

Have you served as a TA previously? Please list the name of the class and the quarter of your appointment ______________ Please give your employee number _____________________.

REQUIREMENT: Remember you must have taken the courses you are applying for or its equivalent. If you have taken a course that is the equivalent, please attach a course syllabus.
Foreign students or permanent resident students who did not have four years of high school education in the USA must have taken and passed the TSE, SPEAK or TOEP before filling out an application. Passing scores are at least 5 on the TOEP, a 50 on the TSE and 5 on the Speak. Please attach a copy of your score.

Please note: Submission of this form does not guarantee you a TA position.

Please keep in mind, not all classes will be assigned a TA. Some classes may have already been assigned a teaching assistant by their advisor.

Please indicate your first 3 choices on the following list of classes:

PLEASE READ THE FOLLOWING TA RULES AND REGULATIONS.

The following rules apply:

You are not allowed to have an “U”, “NP”, or failing grades for the past 3 quarters. Your eligibility for employment is contingent upon you satisfying the following standard appointment criteria: (a) enrollment of a minimum of 12 units including at least 6 units of directed research course each quarter; (b) a GPA of at least 3.1 if you are a Master’s Degree student, or a 3.5 if you are a PhD student during each quarter and at least at the A- level for the research course; (c) no more than two Incomplete’s (I) and one No Report (NR) grades during the three preceding quarters, and at least a B+ for the course you are interested in TAing.

We reserve the right to terminate your appointment at any time for unsatisfactory performance, unsatisfactory progress toward your degree objective or academic dishonesty.

If you are chosen as a TA, you may not receive any other financial support other than non-resident tuition and any unreimbursed portion of your fees that are paid by your advisor.

Application deadline is September 9th.

Please Note: TA appointments depend solely on the class enrollment. Because of this reason, some appointments will not be made before the September 15th tuition and fee payment deadline. Even though you have applied for a TA position, it is YOUR responsibility to pay your fees and tuition on time. If you are chosen as a TA, you will be reimbursed for all of your fees. The TAship does not pay the non-resident tuition. You will be responsible for any and all late fees.

Please be aware that TA appointments available in Fall 2011, are very limited.

☐ Please check the box if you have read and understand your responsibilities.
