Winter 2008 Teaching Assistant Applications are now available and are attached to this email. They are also available on the EECS website, at http://www.eng.uci.edu/dept/eecs/current.

The following rules apply:

1.) You are not allowed to have an “U”, “NP”, or failing grades for the past 3 quarters. Your eligibility for employment is contingent upon you satisfying the following standard appointment criteria: (a) enrollment of a minimum of 12 units including at least 6 units of directed research course each quarter; (b) a GPA of at least 3.1 if you are a Master’s Degree student, or a 3.5 if you are a PhD student during each quarter and at least at the A- level for the research course; (c) no more than two Incomplete’s (I) and one No Report (NR) grades during the three preceding quarters, and at least a B+ for the course you are interested in TAing. Continuing and incoming students, please attach an unofficial copy of your undergraduate transcript with your name on it, and a copy of your latest transcript to your application. We reserve the right to terminate your appointment at any time for unsatisfactory performance, unsatisfactory progress toward your degree objective or academic dishonesty.

2.) Please do not apply if you expect to have GSR appointment in Winter 2008.

3.) If you are chosen as a TA, you may not receive any other financial support other than non-resident tuition and un-reimbursed portion of your fees that are paid by your advisor.

4.) Foreign students or domestic students not receiving four years of high school education in USA must have taken and passed the TSE, SPEAK or TOEP before filling out an application. Passing scores are at least 5 on the TOEP and a 50 on the TSE or Speak.

5.) Even though you have applied for a TA position, it is YOUR responsibility to pay your fees and tuition on time. If you are chosen as a TA, you will be reimbursed for the majority portion of your fees, but you will still be responsible for the un-reimbursed portion, which is approximately $256.50. The TAship does not pay the non-resident tuition. You will be responsible for any and all late fees. Please check the box if you have read and understand your responsibilities.

Application deadline is November 20, 2007.
Please be aware that TA positions available in Winter 2008 are very limited.
