HSSOE Traveler Tips

- If flight change fees are incurred, please provide a brief explanation for the change.
- Original receipt must show ticket number and proof/method of payment.
- If the reimbursement is being charged to a contract/grant, a US flag carrier must be used.

- Upgrades and add-ons such as GPS rentals are not reimbursable.

Meals
- Domestic:
  - Meal receipts must be provided, or a meal log must be provided documenting actual expenses incurred for each meal.
  - Daily maximum reimbursement amount:
    - $74 for travel on/after 3/1/16
    - $71 for travel on/before 2/29/16
  - Do not request a flat daily rate. There is no per diem rate for domestic travel. Use actual expense amounts.
  - No meal reimbursements for travel less than 24 hours.
- International:
  - Per diem rates for meals can be requested. See rates published by location by the US Department of State. [http://aoprals.state.gov/web920/per_diem.asp](http://aoprals.state.gov/web920/per_diem.asp)

Transportation
- Use the most economical mode. Price comparisons for other modes of transportation will be required from you if it appears that a more expensive mode was used. This includes:
  - Use of personal car vs. airfare
  - Use of car service vs. shuttle or taxi
- Original receipts showing proof/method of payment are required for expenses over $75.

Mileage for Personal Vehicle
- You are required to have liability insurance to request mileage reimbursement.
- Fuel costs are factored into mileage rates, so fuel cannot be reimbursed in addition to mileage reimbursement.
- Mileage reimbursement rates:
  - $0.54 – for travel on/after 1/1/16
  - $0.56 – for travel on/before 12/31/15
