Junior Civil Engineer

P/A Design Resources, Inc. has an immediate opening for a Junior Civil Engineer.

For 25+ years, P/A Design has stood for quality and service-oriented consulting. Providing planning, engineering, and surveying services to meet the demands of both public and private sectors, P/A Design has been a planning and engineering landmark since its founding in 1992.

We are looking for an energetic individual with a drive to learn and grow with the Company. The ideal candidate would have:

- A minimum of a Bachelor’s Degree in Civil Engineering and an extensive knowledge of CAD design.
- Strong written and verbal communication.
- Analytical thinking.
- Interpersonal and organizational skills.
- Strong knowledge of AutoCAD and Microsoft Office (Intermediate Excel formulas).

P/A Design offers health, dental, and vision coverages, paid vacation and sick days along with a caring staff and a friendly work environment.

Compensation commensurate with ability and level of skills.

P/A Design is an Equal Opportunity Employer. We will consider applicants who are legally authorized to work in the United States without company sponsorship.
