AFFILIATES MISSION

The purpose of the UC Irvine Civil and Environmental Engineering (CEE) Affiliates is to provide an effective means to offer support and guidance to the Department, its programs and students, and to act as an interface between the professional civil and environmental engineering community in Southern California, particularly in Orange County, and the University. The work of the CEE Affiliates has contributed greatly to the success of the program at UC Irvine.

JOIN THE STEERING COMMITTEE

The CEE Affiliates include representatives from various fields of civil and environmental engineering (consulting, public agencies, construction) and faculty and student leaders of the CEE Department at UC Irvine. The Steering Committee meets monthly on the second Wednesday of every month.

BENEFITS

Benefits of being a CEE Affiliates member include:

- Supporting CEE program, students, and department
- Networking with other members of the engineering community
- Early contact with top students
- Professional development
- Insight into recent advances in research
- Contact with and access to CEE department chair, faculty and the Dean of the School of Engineering
