Welcome to the Samueli School of Engineering

Department of Electrical Engineering and Computer Science

New Graduate Student Orientation
September 21, 2022
UC’s Immunization Mandates

- All new, incoming undergraduate and graduate students must obtain four (4) vaccines (or provide evidence of compliance) and complete a TB Risk Screening Form. Visit [here](#) for details including deadline dates. Certain exemptions may be allowed.

- If an incoming student has not complied with these requirements by the published deadline date, Student Health Center will place an academic hold (Hold Type “2”) on the student’s record preventing the student from enrolling in Winter Quarter classes.

- The University’s [final COVID-19 vaccination policy](#) was announced on July 16th, 2021. ALL incoming and continuing registered students as well as continuing education students are required to be vaccinated at least two weeks prior to their start date of instruction. Certain exemptions are allowed. Visit [here](#) for deadline dates and other detailed information.

- The University issued an Executive Order mandating Flu vaccinations starting with the AY 2022-23 flu season for ALL incoming and continuing students. This policy pertains to all students who are living, learning and/or working on campus and/or on the premises of any University facility. Visit [here](#) for continuous updates, deadline dates, etc...

Employment opportunity for MS students

- MS Graduate students may be employed as TAs or Readers but please note, TA appointments are mostly available to EECS PhD students.
- MS students can apply for EECS Grader appointments which are offered at 19% or less and don’t pay the student fees. You will be only earning salary, based on the number of hours assigned to you (read your Grader contracts carefully).
- UAW orientation is mandatory for first time ASE (Academic Student Employee)
Reader Requirements

- Readers hired on a quarterly basis
- English Proficiency is **not** required.
- Minimum 3.1 GPA requirement
- Grade B or higher
- Enrollment in 8 units student status
Steps to being hired

• Department will send an email for Reader hiring and if interested, you will be added to the Grader Applicants List
• You will be interviewed by teaching Professors
• If selected, Professor will contact Department to hire you
• Department will finalize your employment and will notify you that you can start working (do not start working until you are hired)
• First time readers must attend UAW orientation (Orientation is offered every quarter by Graduate Division)
• First-time ASEs: attend UAW orientation
  – Monday, September 19 from 3:30-4:00 pm
  – [https://fiu.zoom.us/j/9155817788](https://fiu.zoom.us/j/9155817788)
  – There will also be an orientation at the beginning of Winter quarter –
    • Date TBD
Steps to being hired

• You will need to submit your hours in TRS (time reporting system) or you will not be paid. Please review the contracts sent to you carefully for the number of allowed working hours.

• Pay: **Graders/Readers**: every other Wednesday (hourly pay only)

• **UCPath Online** — student employees
  To receive payments from the Payroll system, graduate students with employment appointments must use [UCPath Online](#).

Curricular Practical Training (CPT)
Curricular based off-campus internship/work permission for F-1 international students

Eligibility
- F-1 Student enrolled for at least one (consecutive) academic year before you are eligible to apply for CPT
- Job offer must be related to your field of study
- You must obtain CPT authorization PRIOR to beginning your internship
- Must be registered for ENGR 291
- Must be enrolled and **cannot** be used if you are on "filing fee status"

Other key points:
- Can only intern/work part time, up to 20 hours a week during the academic year
- Can intern/work full time, up to 40 hours a week during the summer
CPT
Academic requirement

Preparing your CPT Application and Enrolling in ENGR 291 Internship
• Review International Center’s CPT Online Tutorial
• CPT Internship Approval Form (for Ph.D. students only)
• Independent Study form (only if seeking CPT during summer terms)

ENGR 291 Internship Course Requirements
• A 2-page summary report describing the company and its products or services, the technical aspects of the position, courses that you took that helped you prepare for this role, and your professional goals as they relate to your graduate degree at UCI.
• A rating from your internship supervisor as either good/fair/poor and/or an overall assessment of your work emailed to gradengr@uci.edu.

For any questions about CPT application, ENGR 291 Internship enrollment, or grading, please contact gradengr@uci.edu.
Optional Practical Training (OPT) is work authorization available to international students who have been in valid F-1 status for one academic year and who plan to seek employment in the U.S. in their field of study.

Key points:

- Submit your OPT I-20 request form to AMY Pham to complete “Completion Verification” section
- The earliest you can apply for OPT is 90 days before your program end date
- The latest date the United States Citizenship and Immigration Services (USCIS) will accept your application is 60 days after your program end date
- Total of 12 months
- The new rule includes changing the 17-month extension to 24 months of STEM extension eligibility

ENROLLING IN UNDERGRADUATE COURSES

Graduate students are restricted from enrolling in undergraduate courses using WebReg.

To enroll in an Engineering undergraduate course:
1. Contact the professor for permission.
2. Forward the permission to CASA.
3. CASA will authorize you to enroll.

## Computer Engineering

### Thesis Option

- 12 Courses total (4 units each)
- 3 Core Course
- 4 Concentration Courses
- 5 Elective course
  - No more than 4 courses of EECS 296 (Thesis Research)
  - No more than 1 course of EECS 299 (Individual Study)
  - No more than 1 undergraduate elective course.

### Comprehensive Exam Option

- 12 Courses total (4 units each)
- 3 Core Courses
- 5 Concentration Courses
- 4 Elective Course
  - No more than 1 course of EECS 299 (Individual Study)
  - No more than 2 undergraduate elective courses
- 1 Seminar Course (EECS 294)
  - Cannot be used toward the 12 courses
Graduate Standards for Grading

• For a graduate student, only the grades A+, A, A -, B+, B, and S represent satisfactory scholarship, and only course work in which these grades are received may be applied toward degree requirements.
• Students must receive a B or higher in a course for it to count toward their degree requirements.
• Graduate students may not apply courses graded Pass/Not Pass (P/NP) toward any degree or satisfactory progress requirements.
• A grade point average below the B level (3.0 on a 4.0 scale) is not satisfactory, and a student whose grade point average is below that level is subject to academic probation and potential academic disqualification.
• Courses in which a grade below a B, or a grade of U, was received may be repeated only once.
EECS Seminar Series
EECS 294- Colloquium

- Offered every Quarter
- 1 unit course
- Graded as S/U
- Seminars at least 5 times per quarter – set dates
- Required to attend 4 out of the 5 seminars
- Short exam after each seminar (must pass 4 of the 5)
- M.S. Comprehensive track: Required to complete 1 quarter

Please check website for more information:
https://engineering.uci.edu/dept/eecs/events/seminar-series
Individual Research
EECS 299

• Students can choose between 1-16 variable units.

• Students should sign up for these units if they are conducting individual research under a faculty instructor.

• Contact Faculty before enrolling

• Only one (4 units) course of EECS 299 can be used towards elective requirement for comprehensive or thesis track
Courses that are not acceptable towards MS Degree Requirements

- EECS 111 System Software
- EECS 112 Organization of Digital Computers
- EECS 112L Organization of Digital Computers Laboratory
- EECS 113 Processor Hardware/Software
- EECS 114 Engineering Data Structures and Algorithms
- EECS 118 Introduction to Artificial Intelligence
- EECS 119 VLSI
- EECS 145 Electrical Engineering Analysis
- EECS 148 Computer Networks
- EECS 150 Continuous-Time Signals and Systems
- EECS 159A&B Senior Design Project I & II
- EECS 160A Introduction to Control Systems
- EECS 160LA Control Systems I Laboratory
- EECS 170A Electronics I
- EECS 170LA Electronics I Laboratory
- EECS 170B Electronics II
- EECS 170 LB Electronics II Laboratory
- EECS 170C Electronics III
- EECS 170LC Electronics III Laboratory
- EECS 180A Engineering Electromagnetic I
Students can choose between 1-8 variable units. This is a filler course used to assist MS students in maintaining the 12 unit per quarter minimum. 8 units is the maximum number you can use as "filler" for the entirety of your graduate career. Your other units are expected to be normal courses, seminars, research units, etc.

Change of Major

• You cannot change your major

Your degree will read: “MS in Electrical and Computer Engineering”
Course Substitution

- Transfer or substitution courses request must be approved by the student’s department, the School’s Associate Dean, and the Graduate Dean of the University.
- If all core courses are not offered in an academic year, students who graduate in that year can petition to replace the courses that are not offered.
- Course substitution are done on a case by case basis.
- MUST have written approval before enrolling in the courses you want to substitute.
- When applying for a course substitution, please submit the following to the Graduate Coordinator:
  - MS Plan of Study (original)
  - Revised MS Plan of Study (with the course that you want substitute listed)
  - A completed Substitution Request Requirement Form
  - Approval and statement from Thesis Advisor

http://www.eng.uci.edu/dept/eecs/graduate/additional-program-information
Steps to conferring your degree

The Advancement to Candidacy Form:
Students must submit forms to the Graduate Coordinator (Stephany) during the quarter before you expect to finish your degree. Deadline are set for each quarter.

Conferral forms:
Department will submit conferral paper work for Comprehensive track.
Students on Thesis track must submit his/her MS Thesis to confer degree.

If you completed and submitted a MS Plan of Study, you will receive a reminder email with instructions and deadline dates in regards to submitting advancement and conferral paperwork.

Note: Graduate Division has strict deadlines. Make sure you notify me to prepare your forms at least 2 weeks before Graduate Divisions deadlines.

Deadlines: http://www.eng.uci.edu/current/graduate/deadlines
Part-time vs Filing Fee

Part-Time Study

• Part-time enrollment at the graduate level during the academic year as enrollment in 1-8 units, including enrollment in Academic English classes.

• If you wish to go part-time (Master’s students only), you must fill out the Part-time Petition, located at Graduate Division Forms, and turn it into your Graduate Coordinator (Stephany). Please note although you may have indicated on your graduate admission application that you plan to enroll part-time, you will not be considered for part-time status unless this form is submitted.

Filing-Fee

• Filing fees applies to students who have completed all requirements for a terminal Master’s degree or a Doctoral degree and are ready for the formal submission of their thesis or dissertation, or the final, formal examination. The filing fee status can be used for one quarter only during the student's entire graduate training. Students applying for Filing Fee status must have been registered in the preceding academic session. A filing fee will not be accepted immediately following an academic leave of absence.

• You must fill out the Filing Fee Petition, located at Graduate Division Forms, and turn it into your Graduate Coordinator (Stephany). Filing Fee students may not be enrolled in units. You will not be considered for Filing Fee status unless this form is submitted.

• International students can only apply for Part-time or Filing Fee status in the quarter your degree is being conferred. Additional forms are required for the International Center.

• Deadlines: [http://www.eng.uci.edu/current/graduate/deadlines](http://www.eng.uci.edu/current/graduate/deadlines)
Changing Degree Level
MS to PhD

• Internal process
• Complete Change of degree form
• 2 letters of recommendation from UCI faculty
• Statement of purpose
• Faculty advisor form
• Nomination form
• *International student:
  – Student Visa Document Request Form
  – Change of Degree form
