GUIDELINES FOR COMMITTEE MEMBERSHIP

- This committee must consist of at least 5 members.
- All committee members must hold a Ph.D.
- At least 3 members, including the Chair, must hold a tenure track faculty appointment within your home department.
- At least 1 member must hold a position at UCI outside of your home department. Please verify that the outside member does not have a primary or joint appointment with your home department.
- For each committee only one exception request will be considered. Exceptions could include a professor from outside of the University or an adjunct professor serving on the committee. In the case of an exception request, the department must turn in an exception memo and a copy of the professor's CV with this form in order to get this approved.
