

WHAT TO DO IN A MEDICAL EMERGENCY (2004)

If the medical emergency requires immediate medical attention or is life threatening, call 911.

If the medical emergency is not life threatening, first notify your supervisor then follow the procedures below:

UCI Graduate Students (non-employees)

Campus: Gottschalk Medical Plaza, Primary Care Clinic on campus (walk-ins OK)

UCIMC: May see any UCI provider, consult the GSHIP program

After hours: May see any UCI provider, call Referral Center 714-456-7890

Offsite locations for after hours: UCIMC or as directed by Referral Center

The Gottschalk Medical Plaza is the primary care facility for students covered by the Graduate Student Health Insurance Plan (GSHIP). *Graduate students can be seen at Student Health by special referral and only with prior authorization from the GSHIP Coordinator.*

For further information, contact Beth Laham at (949) 824-2388 or, see the GSHIP web site <http://www.rgs.uci.edu/grad/students/gship/>

UCI Undergraduate Students (non-employees)

All: Refer to Student Health Services on campus 824-5304

After hours: Consult the Student Health Services web site

For more information about the USHIP program, log onto Student Health Services at

<http://www.shs.uci.edu/emergency.html>.
