

# UCI Samueli School of Engineering

The Henry Samueli School of Engineering  
Materials and Manufacturing Technology Graduate Concentration

## PhD Preliminary Examination Nomination

*This form must be submitted to your Graduate Coordinator in 204 Rockwell Engineering Center at least four weeks before your preliminary examination.*

Name: \_\_\_\_\_ SID#: \_\_\_\_\_

Faculty Advisor: \_\_\_\_\_ Proposed Exam Date: \_\_\_\_\_

### Contents of Examination

The MMT Ph.D. preliminary examination is designed to test the student's knowledge of graduate coursework in preparation for Ph.D. research. List six UCI courses, at least four must be graduate courses, on which you will be examined. If you transferred any courses from another institution, you must still identify equivalent UCI courses. Please attach current UCI transcript. If courses taken somewhere else are listed, please also attach transcript of the other institution.

Course No.	Course Title	Institution if taken somewhere else	Course No. at other institution

Your overall graduate GPA: \_\_\_\_\_

### Proposed Preliminary Examination Committee (4 members)

The member must be MMT concentration faculty. Only one of them could be an adjunct faculty.

Professor	Department

*Recommended by (please sign):*

\_\_\_\_\_  
Student Date Student's Faculty Advisor Date

\_\_\_\_\_  
MMT Program Director Date Associate Dean Date

After approval, it is your responsibility to arrange the date, time, and location of the exam with the Preliminary Examination Committee. As an aside, if your committee would like to have your student file during the examination, please contact Graduate and Professional Studies and one of your members can come pick it up ahead of time or we can bring it over to your exam. Following the examination, you will need to submit the MMT Ph.D. Preliminary Examination Outcome Form, signed by your committee members, and turn it in to Graduate and Professional Studies to verify your results.
