

Skyworks is Coming to the University of California, Irvine

You Are Invited to Our Electrical Engineering Seminar for Bachelors, Masters and Ph.D. Students

Monday, October 23, 2017 • 6:00 p.m. • Career Center, Training Room
Hosted by Bipul Agarwal, Technical Director, Engineering, Skyworks Solutions

Come hungry for both **knowledge and dinner** as food & drinks will be provided!

| Electrical Engineering Seminar

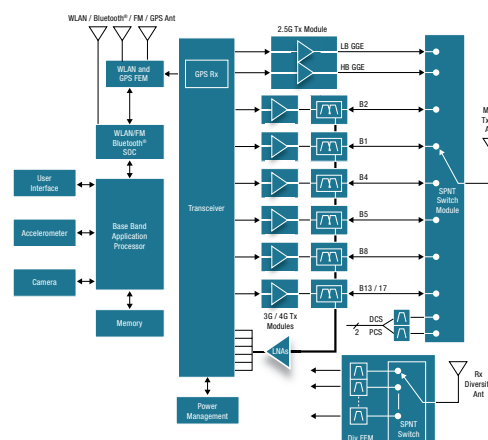

- Discover how Skyworks is enabling the wireless networking revolution and connecting everyone and everything, all the time.
- Hear from two experienced Skyworks' engineers on what they do and how they're impacting tomorrow's devices, today.
- Learn about Skyworks' intern, co-op and full-time entry-level opportunities.
- **Prizes will be awarded to students who actively participate!**

Skyworks Will be Conducting On-Campus Interviews!

Skyworks will be hosting on-campus interviews on Tuesday, October 24.
To schedule an interview, please apply via your school's job board.

| Global Presence

Skyworks is a global company with engineering, marketing, operations, sales and support facilities located throughout Asia, Europe and North America and is a member of the S&P 500® and Nasdaq-100® market indices (NASDAQ: SWKS).
