

Department of Electrical Engineering & Computer Science
Teaching Assistant Application

Spring 2020

TAPDP TRAINED STUDENTS ONLY
WILL BE CONSIDERED FOR TA APPOINTMENTS

NO EXCEPTIONS

Please return completed form to:

EECS Office 2200 EH
Fax: (949) 824 4152
Email: lkonkova@uci.edu

Application deadline for Spring 2020 is **February 15, 2020**

Last Name _____, First Name _____ Student ID # _____
Employee ID # _____

E-mail Address _____ Current GPA _____
(GPA must be at least 3.1 for MS or PhD student).

Have you completed TAPDP Training? Yes _____ No _____

Degree Program: MS ___ Ph.D. ___ PhD Graduate Advisor _____

Are you receiving any fellowship or a GSR for Academic Year 2019-2020? If so, please indicate name of fellowship and dollar amount, and/or name of advisor:

Name of Award/GSR Advisor _____

Amount of Award/Salary \$ _____

Have you previously served as a TA? Please list the name of the class and the quarter of your appointment _____

REQUIREMENT: Please remember that you must have taken the courses you are applying for or its equivalent. If you have taken a course that is the equivalent, please attach a course syllabus

Foreign students or permanent resident students who did not have four years of high school education in the USA and who have not TA'd at UCI before, must have scored 26 or more on the speaking portion of the TOEFL, or taken and passed the TSE, SPEAK or TOEP *before* filling out an application. Passing scores are at least a 5 on the TOEP, a 50 on the TSE and 5 on the Speak.

Please note: **Submission of this form does not guarantee you a TA position.** The Department may change your TA appointment to another course depending on Department need and/or enrollment changes. The instructors listed for the courses may change and you will need to wait for CASA to confirm.

Please keep in mind that not all classes will be assigned a TA. Some classes may have already been assigned a teaching assistant by an advisor.

Please indicate your **first 3 choices only** by marking “1”, “2”, and “3” on the following list of classes:

EECS 20	INTRO TO EE & CPE (Kavianpour)	___	EECS 112L	ORG OF DIGITAL COMP (Elmalaki)	ORG	___

			EECS 180B	ENGR ELEC TROMAG II (H. Lee)		___
			EECS 188	OPTICAL ELECTRONICS (Ebrahimi)		___

PLEASE READ THE FOLLOWING TA RULES AND REGULATIONS:

You are not allowed to have a “U”, “NP”, or failing grades for the past 3 quarters. Your eligibility for employment is contingent upon you satisfying the following standard appointment criteria: (a) enrollment of a minimum of 12 units including at least 6 units of directed research course each quarter; (b) a GPA of at least 3.1 if you are a Master’s Degree student, or a 3.5 if you are a PhD student during each quarter and at least at the A- level for the research course; (c) no more than two Incomplete's (I) and one No Report (NR) grades during the three preceding quarters, and at least a B+ for the course you are interested in TAing.

We reserve the right to terminate your appointment at any time for unsatisfactory performance, including non-participation in TAPDP training, unsatisfactory progress toward your degree objective, academic dishonesty, or academic ineligibility.

IMPORTANT NOTE: TA appointments depend solely on the class enrollment. Because of this reason, some appointments will not be made before the September 15th tuition and fee payment deadline. Even though you have applied for a TA position, it is **YOUR** responsibility to pay your fees and tuition on time. If you are chosen as a TA, you will be reimbursed for your fees. The TAship does not pay the non-resident tuition. You will be responsible for any and all late fees.

If you are chosen as a TA, you may not receive any other financial support, other than non-resident tuition and any un-reimbursed portion of your fees that are paid by your advisor, totaling more than 50% time (220 hours assigned workload).

Application deadline is **February 15, 2020**

Please check the box if you have read and understand your responsibilities.
