

UCI COVID-19 Visitor (non-affiliates) Guidance **Revised: August 2, 2021**

Campus Requirements

- Visitors/non-affiliates must follow [UCI's Face Covering Executive Directive](#) and must wear a face covering when required under [Section A.2 of the Executive Directive](#) unless an exception applies (i.e.: medical, under 2 years of age, etc.).
- Visitors/non-affiliates will **self-attest** to meeting the face covering exemption – see below.
- When visitors/non-affiliates are invited by departments for meetings, training, conferences, etc., departments should collect and maintain visitor/non-affiliate contact information in the event it is needed for contact tracing purposes.
- Campus organizers of events, such as sporting competitions, arts performances, etc., are not required to collect visitor/non-affiliate data.

UCI Self-Attestation

- UCI will deem visitors/non-affiliates to have self-attested to meeting the face covering exemption, if they enter a UCI building and are not wearing a face covering.
